Mike attended UW Oshkosh, Class of 1977. Mike writes "I got a chance to retire after a Major Market Radio career in Broadcasting, living in the cities of Baltimore, Nashville, Salt Lake City, and Atlanta. I'm exercising those other parts of life that I wasn't able to get into, to the depth that I wanted to... Which kind of takes me back to my college years. I'm a free spirit again. I've come full circle to the exploring days of my youth..."
