the 1990s, the number of people with a mental health problem has increased in the UK (Mental Health Act 1983, 1990).

There is a growing awareness of the need to improve the lives of people with mental health problems. The Department of Health (1999) has set out a strategy for mental health care in the UK. The strategy is based on the following principles:

- People with mental health problems should be treated as individuals, with their own needs and wishes.
- People with mental health problems should be given the opportunity to participate in decisions about their care and treatment.
- People with mental health problems should be given the opportunity to live in their own homes and communities.

The strategy also sets out a number of objectives, including:

- To reduce the number of people with mental health problems who are admitted to hospital.
- To improve the quality of care and treatment for people with mental health problems.
- To improve the support and services available to people with mental health problems.

The strategy is a key document in the development of mental health care in the UK. It provides a framework for the development of policies and services for people with mental health problems.

Look to this day!
For it is life, the very life of life.
In its brief course lies all the verities
and realities of one's existence:
The bliss of growth,
The glory of action,
The splendor of beauty.
For yesterday is but a dream
And tomorrow only a vision.
But today, well lived, makes
Every yesterday a dream of happiness,
And every tomorrow a vision of hope.
Look well, therefore, to this day.
Such is the salutation of the dawn.

The bliss of growth,
The glory of action,
The splendor of beauty.

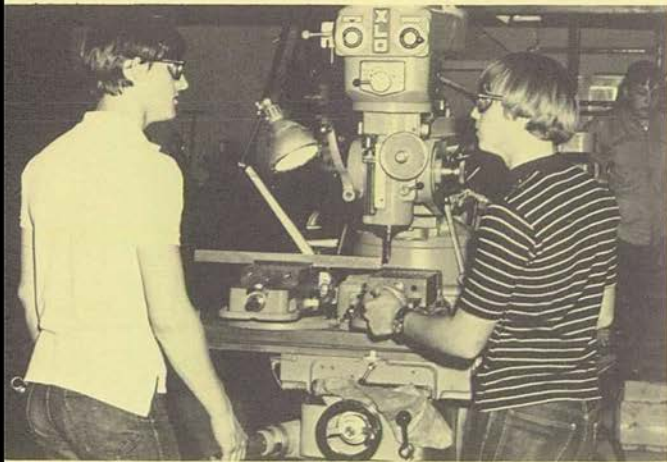

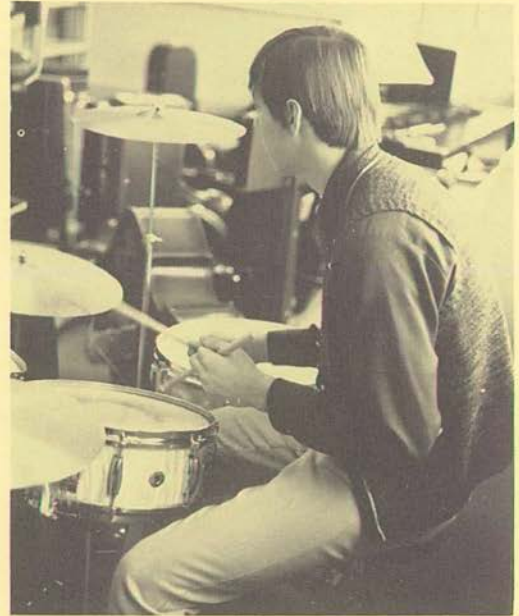

Find glory in human performance
and the fervor of competition.

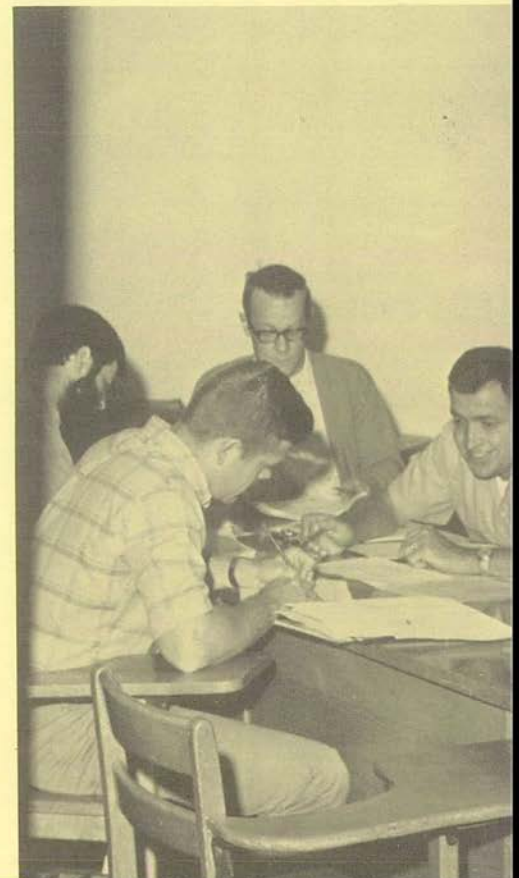

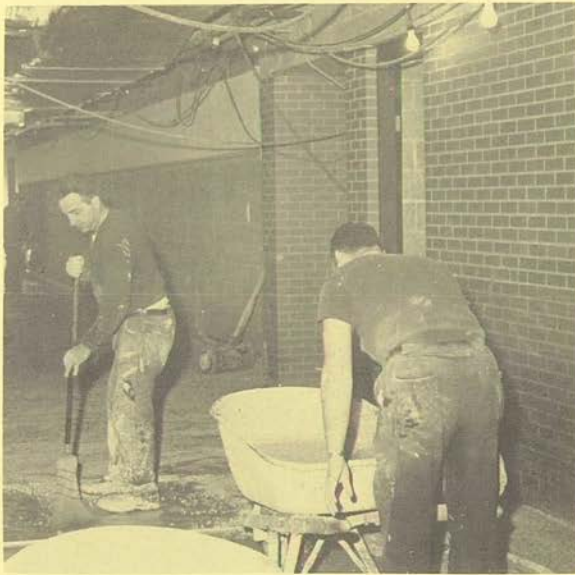

Find beauty in the subtleties of human expression.

Find bliss in the expansion of your capabilities.

For yesterday is but a dream And tomorrow only a vision.

West High started as the realization of a need, a need for more room and more facilities to give us a better education. It began as a paragon of freedom in education, flexibility in scheduling, student oriented classes and of greater opportunity for personal contact between teachers and students. It finalized with the construction of a modern, new school equipped with teaching aides unheard of in many school systems and operating under modular scheduling. The development of our school wasn't an easy process, nor agreed upon by all citizens of the Wausau area. It took hazardous crowded conditions, division of the community over the school bond issue, the farsightedness of school and public officials, and numerous hours of planning by teachers to make Wausau West a fact.

Just as our school is a reality what we do and plan today will become a reality tomorrow.

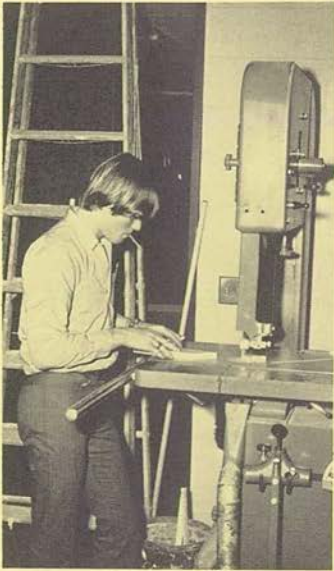

Mr. Airball
Why don't you learn
how to play basketball
a little better? No, really you
a good player, keep it up. Have fun
in the years to come. Be good.
Tom Knies

Because of yesterday, things are done today, for tomorrow.

But today, well lived, makes
Every yesterday a dream of happiness,
And every tomorrow a vision of hope.

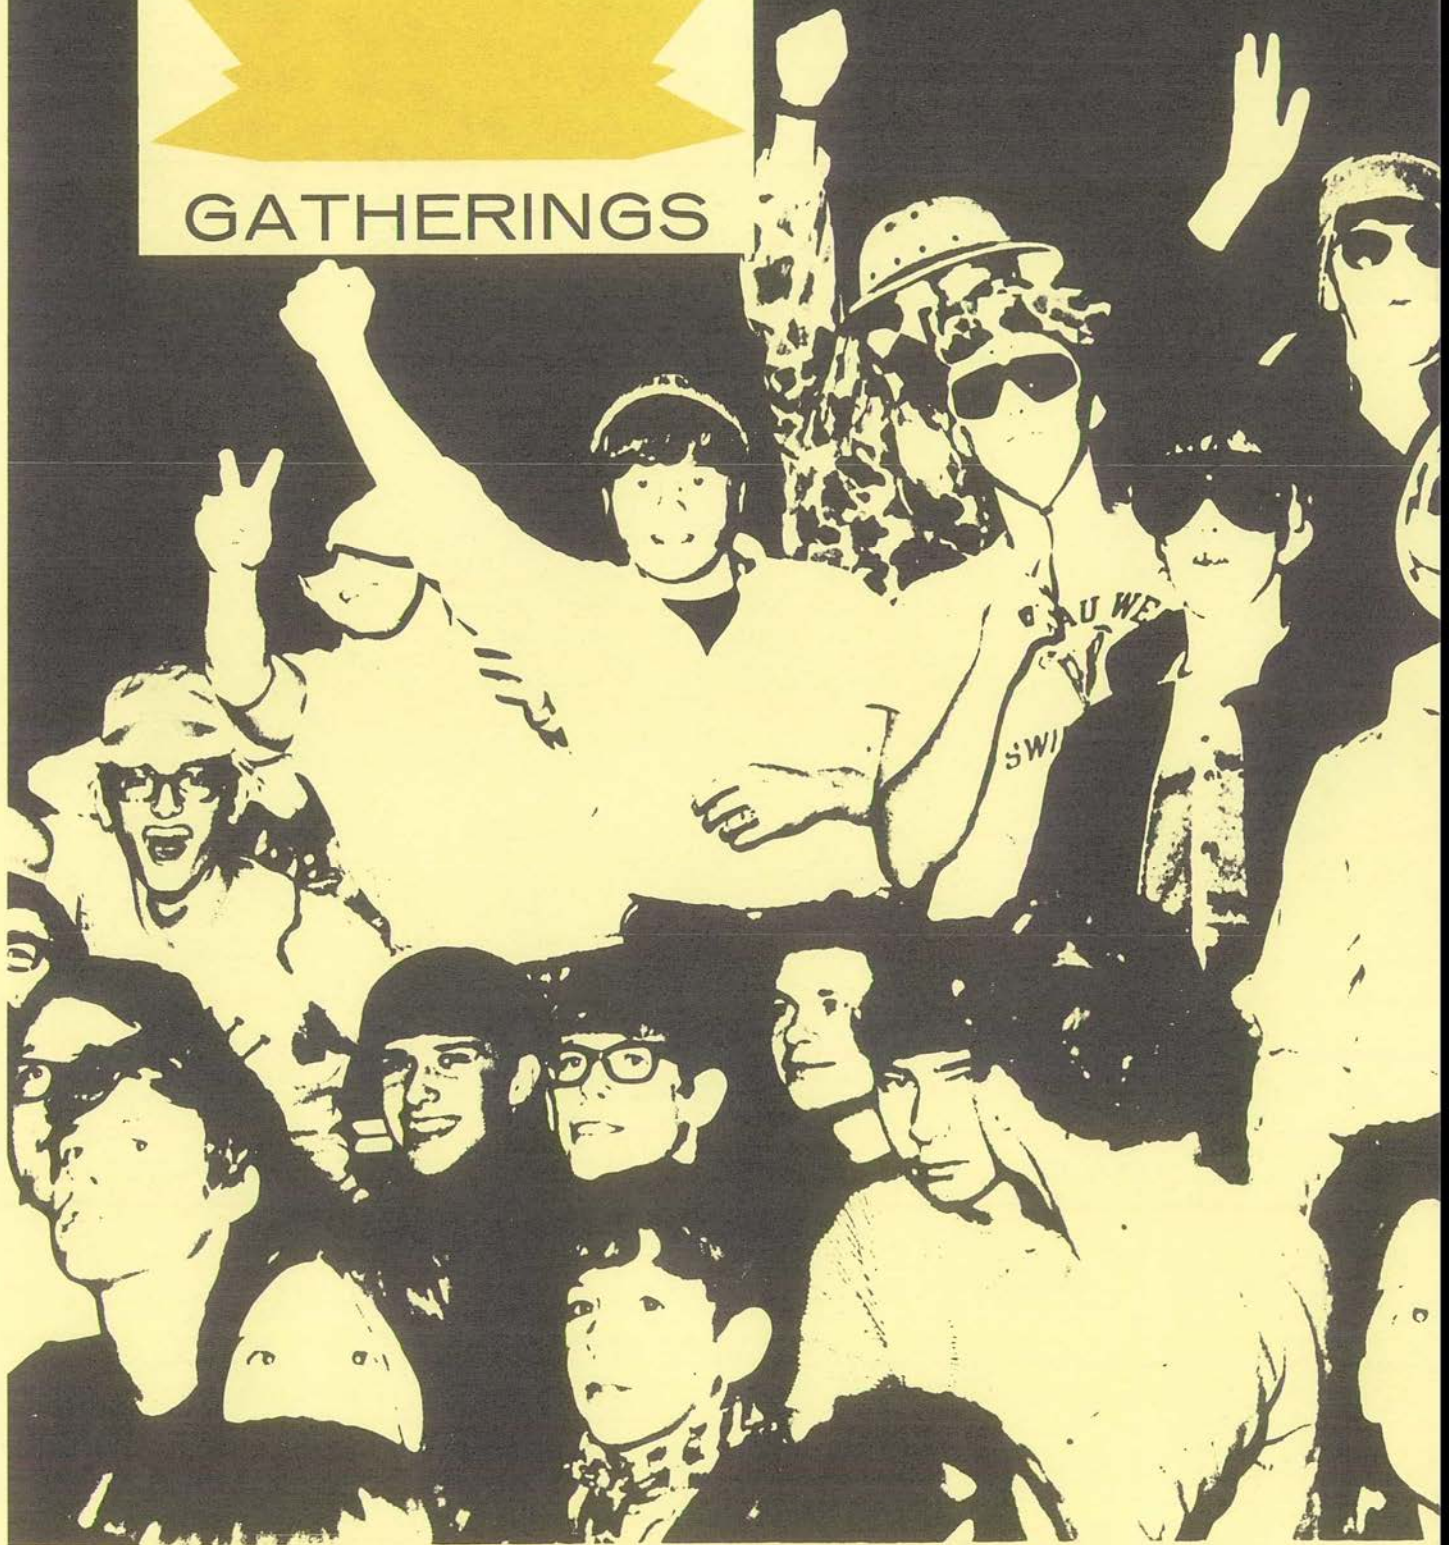

People believe in the future, work and plan for the future while relating to the past.

Look well, therefore, to this day.
Such is the salutation of the dawn.

Homecoming

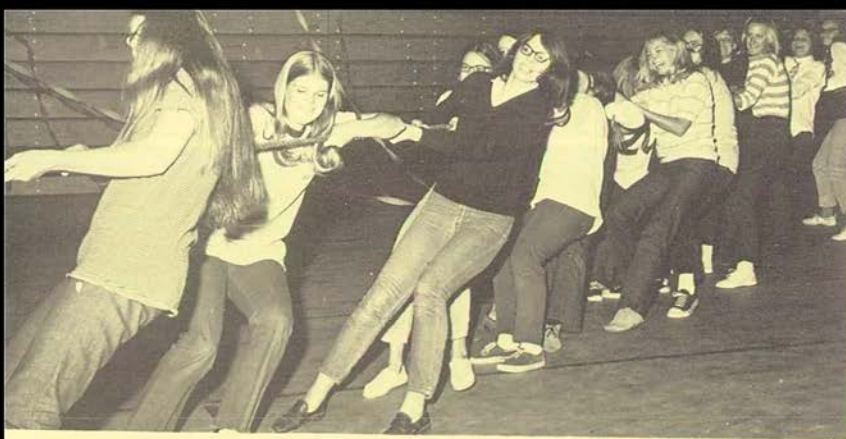

The first homecoming at Wausau West combined old traditions with new and exciting ideas. Cross country races were added to the list of homecoming activities, with winners being presented with plaques. A Pep Rally was held, at which time each class expressed their talent with a traditional class skit. Perhaps the most exciting competition between classes, introduced at the Pep Rally, was the rope pull. Teams of boys

and girls pulling against their opponents brought students to their feet to cheer their class on. To top off the Pep Rally activities, Shannon Gauger was crowned the first Homecoming Queen at Wausau West. Although dreary weather dampened spirits and brought our first conference football loss, the first Homecoming at Wausau West will long be remembered by all.

Aw! You've gotta be kidding.

General chairman, Sherry Young, found herself in a frenzy the week before Junior Girls.

Sue McCain: Invitations

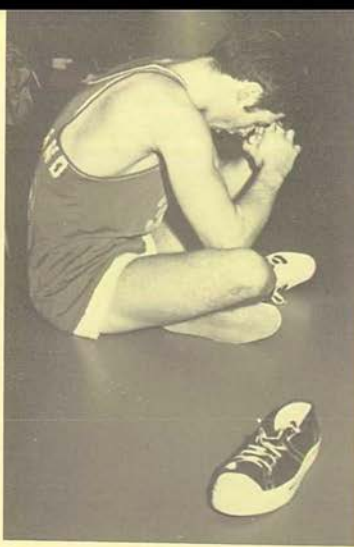

Lynn Rantanen: Publicity

It was the evening of December 28 and another Junior Girls Formal was getting under way. Couples filled the dance floor, and shortly, the music of Sid Kyler set them dancing. On one side of the dance floor, trees in the style of pyramids were cleverly used to symbolize the twelve days of Christmas, while on another, a white archway led to a bubbling fountain surrounded by white iron chairs.

Come on Dan, you can't be tired. You've only played for twelve hours straight.

TEAM MEMBERS - BACK ROW: Edwards, Rusch, Ballesteros, Schlitz, Sjoberg, Burton, Fiedler, Garski, Peterson, Verick. FRONT ROW: Wood, Hoenisch, Kutchery, Erlandson, Bisgrove, Hensel, Cleveland, Miller, Ziebell. Relaxing in front: Hintz.

Basketball Marathon

... Lullaby and goodnight ...

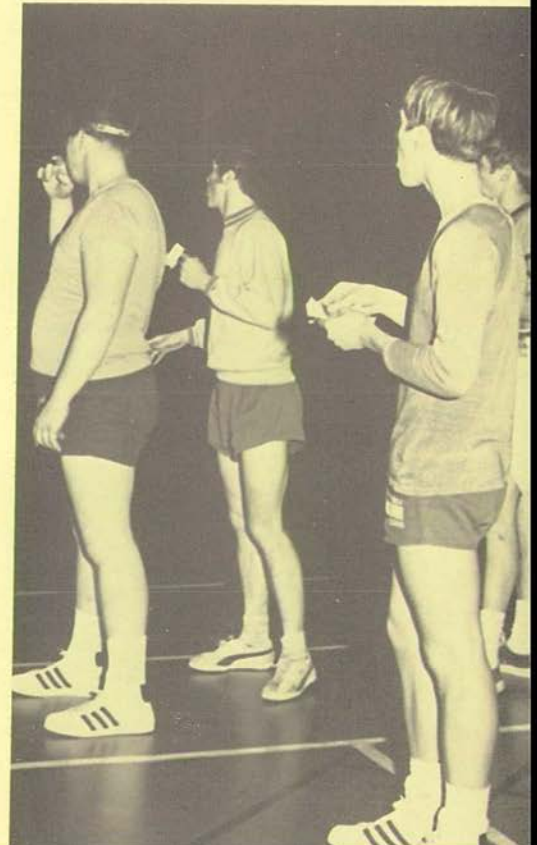

What goes up must come down.

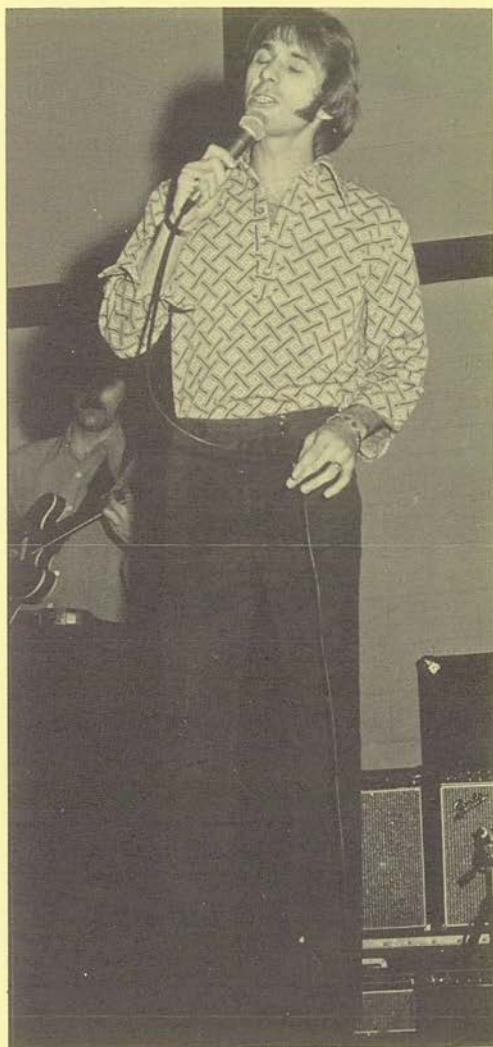

"The longest recorded basketball marathon was one of eighty-four hours by twenty-four girls and boys in Hertford, England."

On Saturday, December 19, twenty Wausau youths set out to beat that record and on Wednesday, December 23, the world championship was theirs. They had played 108 hours of continuous basketball with alteration of teams every six hours. The action took place in the West Fieldhouse with a music filled background, empty food containers, and boys slowly pacing the floor with sore feet, creating the atmosphere.

Cold Weather Limited

Although cold weather and snowy days disrupted Winter Carnival week activities, students remained enthusiastic. On Sunday, January 31, an all school tobogganing party was supposed to begin the week's activities. Due to below zero weather it had to be cancelled. Ambitious classmates worked throughout the week on snow sculptures symbolizing the theme "Crystal Circus". Besides ending up with cold feet and frostbit noses, each class created their own special sculptures. The Freshman submitted a cannon, the Sophomores a lion, the Seniors, a clown's face, and the Juniors an award winning seal. Other activities included snow tunneling and football played in the snow. All activities were competition between classes, which ended with the Juniors being the overall champions for

the entire week. Winter sports were honored by designating a day for each sport. Wednesday was the Wrestlers' day, Thursday was the Swimmers' day, and Friday was the Basketball players' day. On Friday, the enthusiasm was especially high, as the Warriors took on the Chippewa Falls Cardinals in a tough BRC battle. A heartbreaking finish found West losing its first conference game, on its home court, by two points. The climax of the Winter Carnival activities was a concert held in the West Fieldhouse. It featured Gary Puckett singing such songs as, "Lady Willpower", "Woman Woman", and "Young Girl". Despite the effects of the cold weather, the 1971 Winter Carnival was a new and enjoyable experience for all.

"The Good Old Summertime"

Tom Augustine and Sue Redeker reigned as King and Queen at the first Wausau West Junior Prom, on the fifteenth of May, nineteen hundred and seventy one.

The Prom was held in the West Commons area, which was decorated according to the theme "The Good Old Summertime." The gaiety of the eighteen-nineties was certainly present as a park scene with benches, a fountain, a bandstand, trees, and a cafe were used to emphasize the era.

Afterwards a Post Prom was held at the Wausau Club. The couples were served dinner and then danced or socialized to the beat of "Silver and Brass."

Badger State

Uthrotar which stands for Youth Rotar is made up of senior boys chosen by the faculty. They are chosen on the basis of their grades, extra curricular activities and leadership qualities. Each Monday for a month, two of the boys attended the Rotary luncheon at the Wausau Club. At the meetings they listen to speakers and were recognized by the Rotarians.

Quill and Scroll is an international honorary society for high school journalists. Members must have been on either yearbook or paper publication staff for at least one year and are chosen for commendable work.

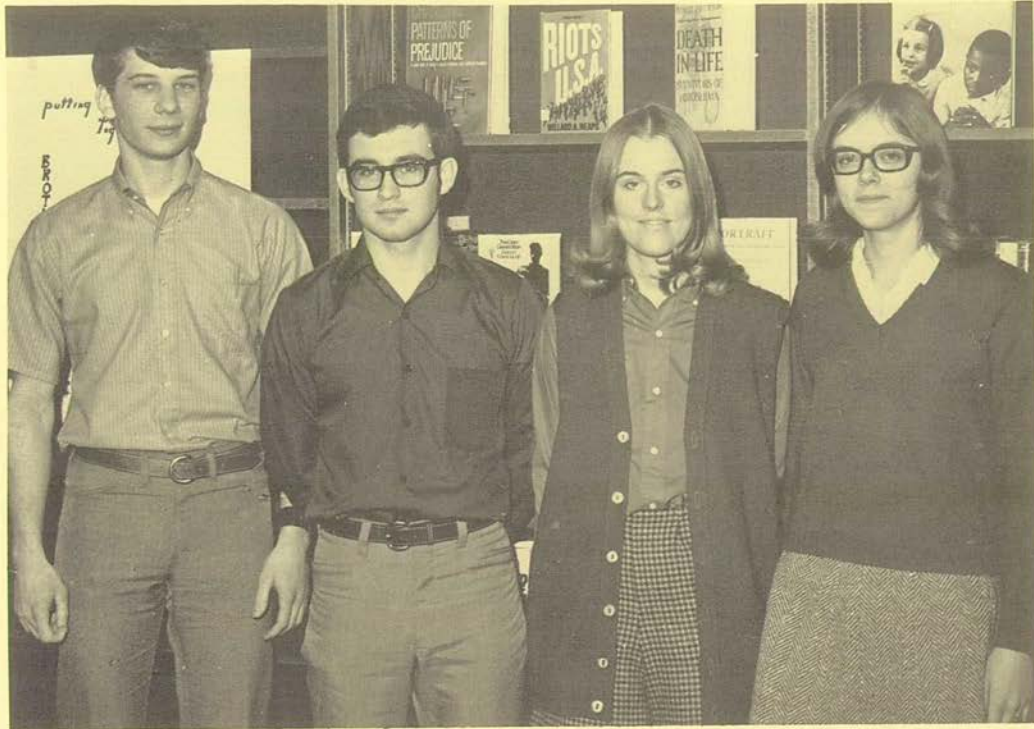

A faculty committee chooses interested students for Badger Girl's and Boy's State. These students must apply during their junior year.

Those chosen attend a workshop, sponsored by the American Legion and Auxiliary, for a week during the summer. They learn legislative procedures and participate in a mock government.

D.A.R. GOOD CITIZEN is the Daughters of American Revolution Good Citizen Award. The senior class nominates girls and the faculty chooses the winner from the top three. The winner and her mother attend a tea in the spring which is held by the city's Daughters of the American Revolution in honor of the newly chosen Good Citizens.

The Kiwanis Club informs the high school when they wish a girl to be chosen for Girl of the Month. They send a list of qualifications which includes scholarship, leadership, personality and service to the school. With the aid of faculty suggestions, the guidance department chooses a girl. The winner is invited to a banquet and there receives a corsage and gold charm.

KIWANIS GIRL OF THE MONTH
Deb Caillouette

Students take the National Merit Scholarship test in their junior year. The students with the highest scores become semi-finalists. They can then go on to take the Scholastic Aptitude Test. If they do well on this test they become a finalist. The parents of the finalists submit a Parent's Confidential Statement and the finalists may or may not receive a scholarship depending on their need.

Nancy Pearson is this year's Betty Crocker Homemaker of Tomorrow Award winner. She achieved this by scoring the highest on a test. The test is available to any senior girl whether or not she is interested in home economics. As a local winner, Nancy's test scores were submitted for state competition where she became the state award winner. State winners receive an all expense paid trip to Washington, D. C. for a week. In Washington there is competition on the national level.

Students in National Honor Society must have a 3.25 grade point average. They also must have the qualities of leadership, character, and service to the school. National Honor Society is a national organization. Students receive a pin for belonging and membership can be continued into the future.

Faculty Focus

Teaching is the process by which one person helps others achieve knowledge, skills and attitudes. Every teacher has a reason for entering the profession. Some like to work with the receptive minds of young people. Others feel that the most important part of the job is helping each student reach his potential. This was done through the new modular scheduling system which helped each teacher to work out a pattern of teaching best fitted to his beliefs and abilities.

A teacher's activities include such duties as: arranging the classroom and doing other things to provide a good environment for learning; giving instruction and counseling students on individual problems. A teacher also has to confer with parents, grade papers, keep records, make reports and guide extracurricular activities.

Hard Work and Practice For Symphonic Band

TWIRLERS - FRONT ROW: R. Howard, J. Rust. BACK ROW: S. Gehrke, K. Traeder, D. Soeder, L. Steffen.

This year's Symphonic Band began its first season with a fine showing in state competition. The quartets, solos, and duets gave commendable performances. At home, the Symphonic Band gave two concerts; one in December and another in March. The band was under the direction of Mr. Roger Bloemers. The student director assisting Mr. Bloemers was Al Marquardt.

The Symphonic Band experienced many difficulties this year. Without a room, they found themselves split into two groups and practicing in the field-house and the faculty lounge before their own room was completed. Despite this handicap the band worked hard and gave good performances.

to Give a Variety of Performances

Boys, need more practice?!?

This year the Concert Choir gave performances during the Christmas season and again in spring. The Christmas concert included the Symphonic Band, Chamber and Treble Choirs. The choirs sang selections of Christmas songs, with each of the choirs singing the songs they had been harmonizing for weeks. Such as: "God Rest Ye Merry Gentlemen," "Silent Night," and "Softly the Stars Were Shining." The spring concert brought the choirs into a show of their own. The songs they sang were represented by the spring weather. Some of these selections were: "Celestial Spring," "O Sorrow Deep," "Kyrie," and "Ascendit."

Mr. Lowell Larson, the choir director, chose the members of the Concert and Chamber Choirs on a tryout basis last spring, which shows that much preparation went into having the quality of choirs we had this year.

"Under Milkwood"

"Help! Get me out of here!"

As Wausau West started so did our dramatic tradition. The first presentation, given in the Little Theater, was, "Under Milkwood." This play, written by Dylan Thomas, centered around the subconscious thoughts of the characters.

Mrs. Delphine Ohland, director, was assisted by Miss Sue Williams. Student directors were Melody Schepp, senior director; and Stephanie Zarnke, junior director. Due to the direction of these people the tradition has been established.

Jazz Ensemble

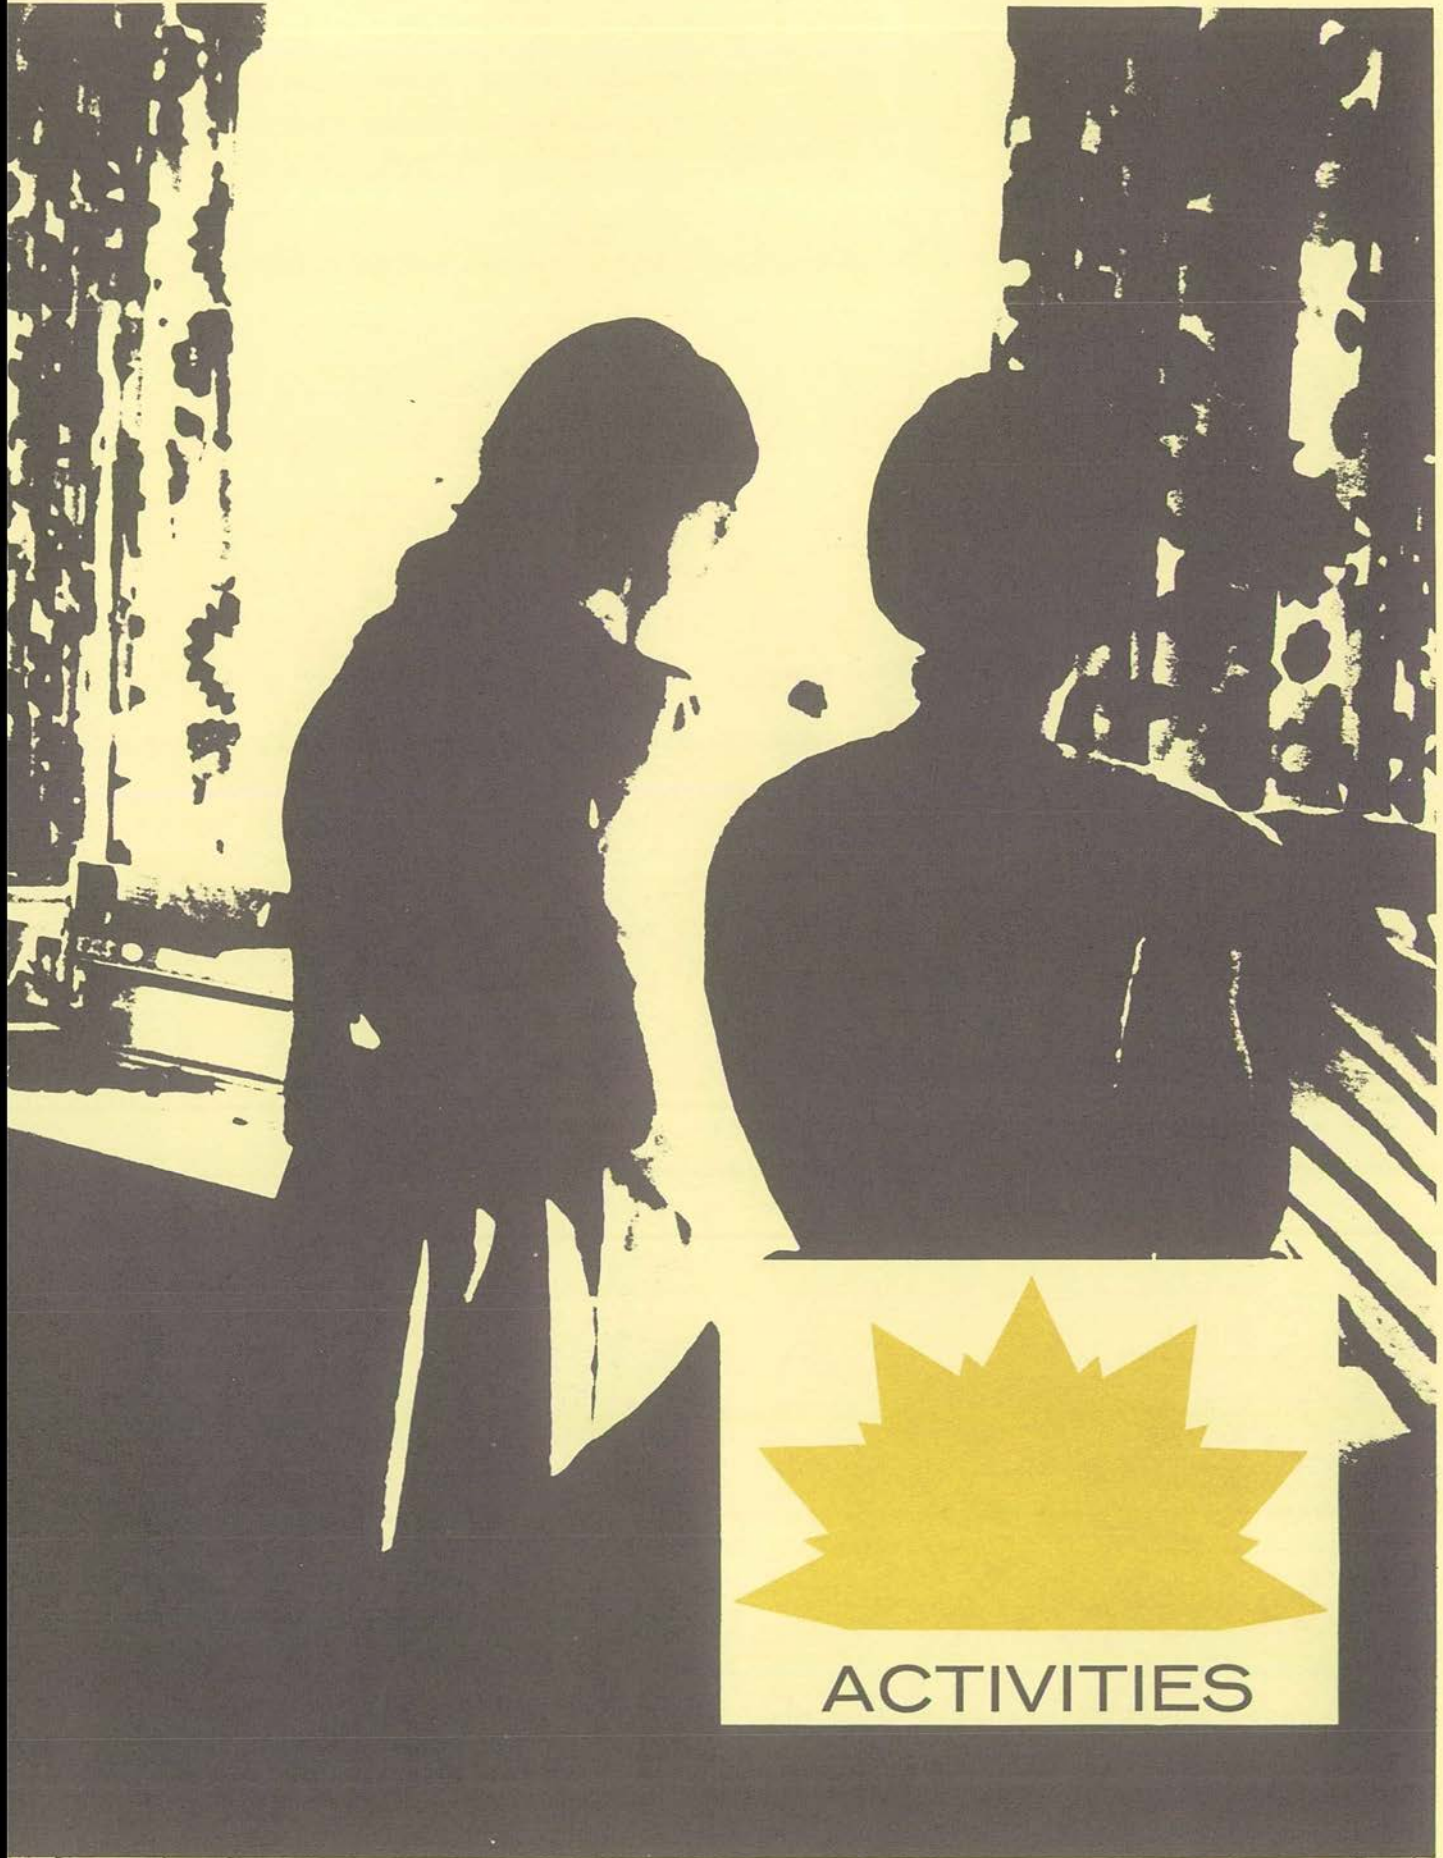

The Wausau West Jazz Ensemble was concerned with the music in the jazz idiom from rock-jazz to cool, contemporary jazz. The stageband was under the direction of Mr. Roger Bloemers. Many members of the Jazz Ensemble were former members of the Tophatters.

This groups repertoire included Buddy Rich rock jazz numbers such as "Wack Wack," "Up Tight," "Bid Mama Case," and many others.

The members of the Wausau West Jazz Ensemble were: Al Marquardt, Vince Rowan, Sandy Gehrke, Kevin Genrich, and Jon Goertz, saxophones; Tom Gorr, Bob Tesmer, Bob Roehl, Mark Kryshak, and Dale Behnke, trombones; Dennis Osterbrink, Dan Grohman, Jim Burgess, Dale Osterbrink, Tom Maeck, and Steve Radant, trumpets; Randy Richter, drums; Steve Riege, bass; Duane Evanson and Dave Sundell, percussion.

It was a year of multiple-set-backs and rigid planning, but the Clarion finally came out. This first year, or the beginning fall term, found the Clarion with a handful of inexperienced workers and no printer. There wasn't any lab journalism course, which made the newspaper, under the direction of Mr. Greg Venne, an extra curricular activity. Working on the staff were co-editors Steve Bentz and Viki Schade, with staff editors Jayne Sippl, Terri Thorson, Connie Abitz, Steve Wojan, John Burton, and Steve Hess. These people carried the load of producing a first rate paper. With facilities, now the printing of the paper is done at West High under the direction of Mr. Kevin Johnson. This staff set the pace for the year and working under these conditions yielded a new beginning for the student publications at West High.

Business Staff Worked Diligently

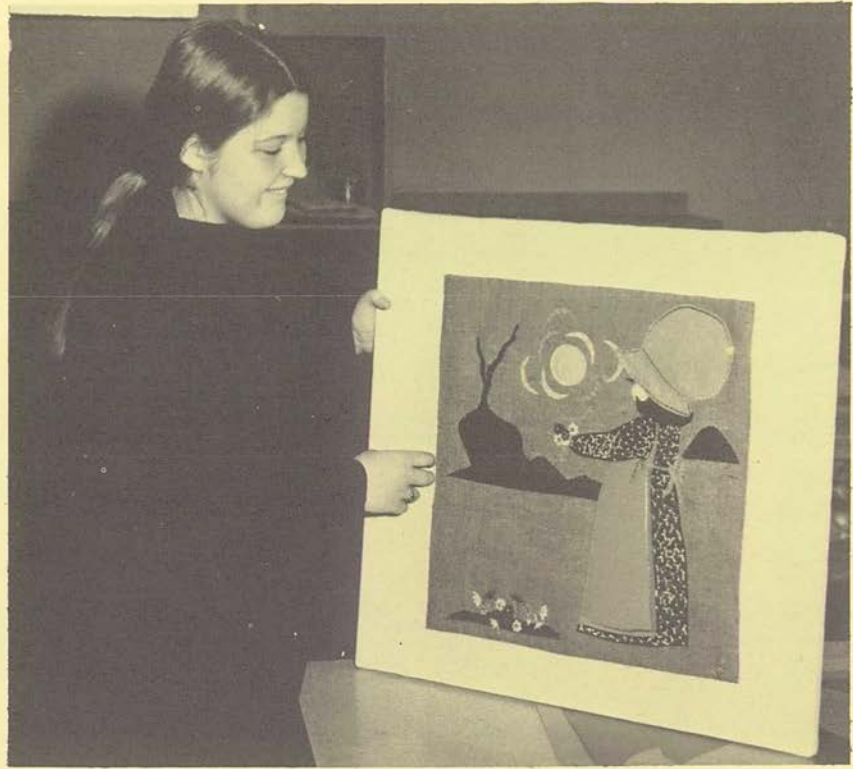

Bud Bednarski, Aurora Business Staff Manager, checks with Mr. Woida about an advertisement.

Led by business manager Bud Bednarski and advisor Mr. Woida, the **Aurora** business staff went to various business establishments in Wausau and solicited advertisement for the yearbook. These advertisements offset some of the cost of printing the book and kept down the price per student.

Members of the Art Club, with Mr. Hazen as an advisor, helped keep our school brightly decorated this year. These students worked hard putting up displays in the glass display cases throughout the school and making decorations for school dances, such as Homecoming Dance and the Junior Prom.

A ham radio operator is absorbed with receiving a mysterious message.

The Wausau West Amateur Radio and Electronics Club was formed to give students an opportunity to better understand the operation of ham radios. The club's activities centered around an amateur radio station located in Wausau West. A major force behind the installation of the station and the erection of an antenna, both of which did not exist at the beginning of the school year, was Mr. Kevin Johnson, the club's advisor.

The main objective of the Health Careers Club was to give students a better knowledge of the health careers available to them. Although this year the club was dominated by girls, membership is open to both boys and girls. At their meetings the members listened to guest speakers and visited places related to careers in health, such as the hospital. In order to raise money for the scholarship that the Health Careers Club annually gives to a student going into a health career the club held several money raising events, such as a bake sale and a car wash.

The Home Economics Club was formed by girls interested in this area. Various topics related to home economics were discussed at meetings, with outside speakers adding additional interest to many of the meetings.

To Future Careers

DECA, the Distributive Education Clubs of America, was set up to promote student interest in the fields of marketing and distribution. To achieve this goal, the DECA charter at Wausau West assumed the responsibility of running the school store known as the Wausau West Crest Shop. School supplies were sold there, and in one section, a book store was set up to sell paperback books of student interest.

The Future Secretaries of America helped its members to acquire specific knowledge on how to be an effective and successful secretary. The FSA held several money making projects throughout the school year, such as bake sales and the sale of popcorn at basketball games, so that the club members could go on a trip at the end of the year.

The Future Farmers of America is an organization for students studying vocational agriculture during their high school years. The purpose of FFA at West High School was to develop good character and rural leadership, to train for citizenship and to promote interest in agriculture as a life vocation.

Customers swamp the West Crest Shop with their many purchases.

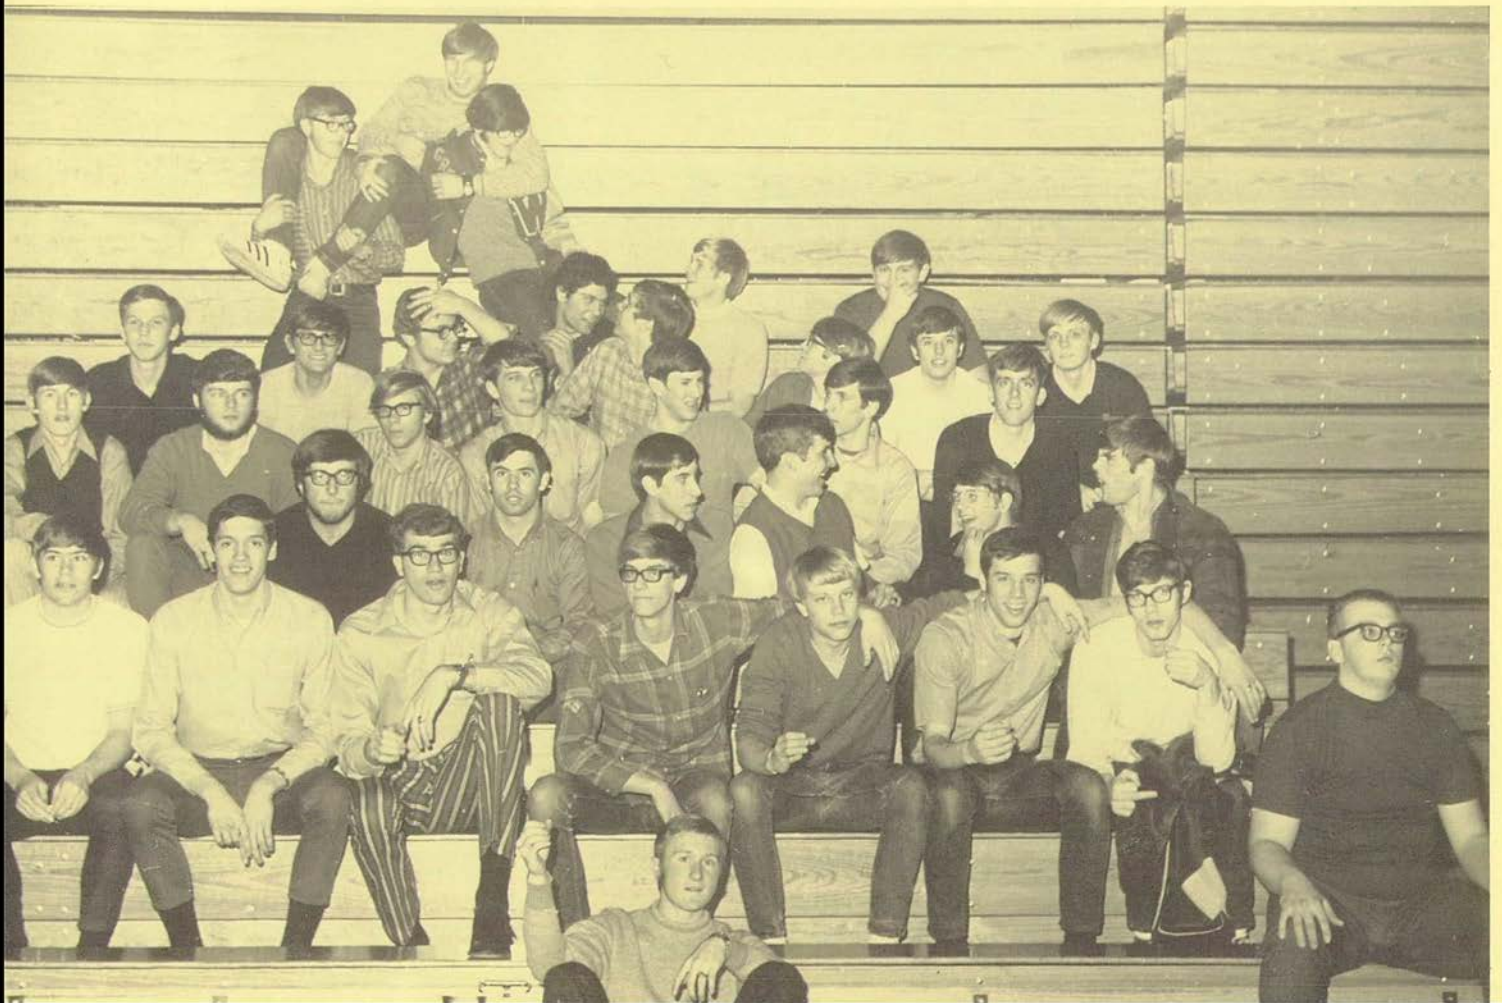

The ski club was an informally organized club under the direction of Mr. Cybella and Miss Hintz. The purpose of the club was to give students who enjoyed skiing an opportunity to get together with other students who shared their interest. During the winter, members of the club had a chance to take trips as a group to various ski areas.

Membership in the Lettermen's Club was open to any boy who had earned a letter in any varsity sport. The boys worked as ushers during the basketball games at the WIAA Regional tournament games held at West. The club also sponsored the spring Sports Banquet.

The Astronomy Club was formed by students who had an interest in the field of astronomy. The members of the club were able to broaden their knowledge in this area by making use of the new planetarium at West High School. With the planetarium, which is a machine with a large ball that has small holes in it through which the stars, sun, moon, and planets are projected, students had unique opportunities to study the heavens.

The ability to learn a new system was the positive factor and a very wet season was the negative factor as the Warriors posted an overall 5-4 record for the 1970 gridiron season. The Warriors opened the season with non-conference losses to Marinette and Monona Grove. The Warriors then came back with their first victory by defeating Menomonie 20-12. They went on to beat La Crosse Central, Chippewa Falls, Eau Claire North, and La Crosse Logan. Eau Claire Memorial proved to be the deciding factor as they beat West on its homecoming 30-14. This loss put West and its cross town rival Wausau East tied for first place in the Big Rivers Conference. In a game of breaks and bad weather East edged West to win the BRC championship. This loss gave West second place in the BRC standings and a very impressive and successful first year.

J.V.'s Placed 5-2 Record

Wausau West's first J.V. football team, which was excellently coached by Don Betry, and Tom Poisson, kept up the Warrior winning tradition by posting a fine 5-2 record. Starting with the first West sports win over Stevens Point, 20-0. Menominee followed and went home blanked 13-0 by the Junior Warriors. The big J.V. game of the season was with Wausau East and it was a preview of the upcoming varsity game. It was a back and forth battle, but finally Gary Lepak went around the end to score and the game ended 6-0 in favor of West. Wisconsin Rapids finally scored against West's tenacious defense, but a combined fourth quarter effort by Jack Koss and Steve Wojan on a punt assured West of a winning score of 15-12. Cocky with a 4-0 record, West's Javee's faced the Eau Claire North Huskies. Fired up by a previous varsity loss the North Huskies rolled over the Warriors 20-12. The Hodags of Rhinelander sent the J.V.'s back to West with a 28-14 loss. Playing against juniors in a field of mud, West finally trounced the Old Abes 20-6.

Swim Team - 1971

Swimmers "got set" in a meet with East, West won the meet 58 to 37.

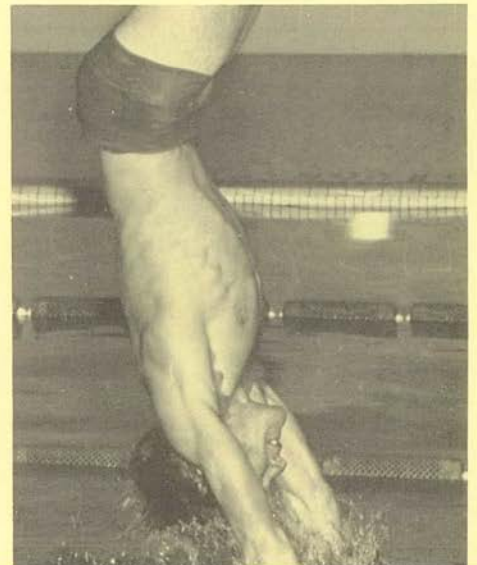

The Wausau West swim team concluded their season with a six and six record overall. In conference meets the Warriors ended with a 3-4 record.

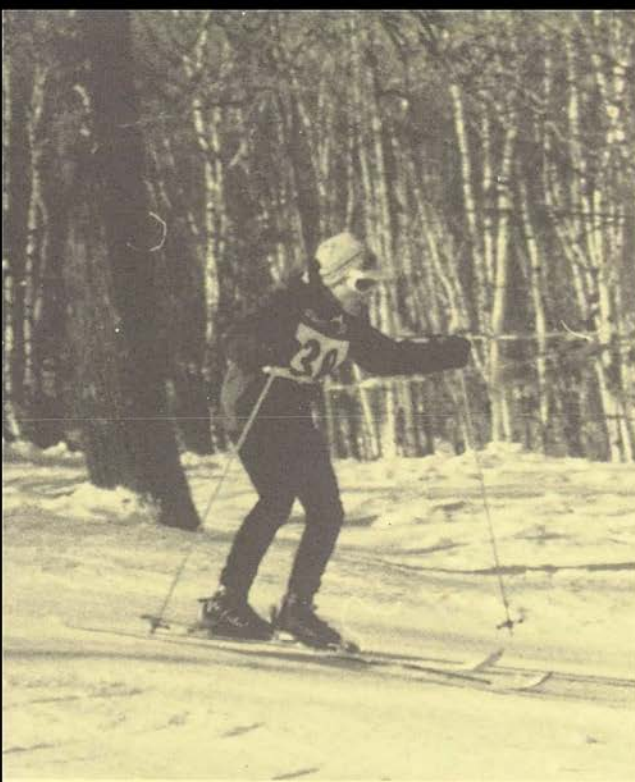

Coach Layton started the 71 season with five lettermen. With a nucleus of these five boys Coach Layton said, "they helped out, but this was more of a building year." The West swimmers did a fine job with only one problem, a lack of numbers. Coach Layton said the ability was there but you had to have numbers to pick from. This year the team started with 19 swimmers and ended the season with 14, last year he started with 30 and ended with 25. Coach Layton gives a lot of the credit this year to freshmen and sophomores. Next year's season looks to be a good one, since graduation is only taking three seniors from the ranks, leaving 11 returning swimmers. Coach Layton summed up the season by saying "I can't single out one person, all the kids worked hard and did a good job."

West Skiers Had Building Season

"I think the boys did a fine job, the only trouble we had was the lack of experience." These are the words of West's skiing coach, Bill Kauffman. The West ski team comprised of seven skiers started their first year as a building year. The entire team, as new as their coach started the season with no returning lettermen from the previous year. Along with Coach Kauffman the boys were assisted in the instructional aspect of skiing by Milan

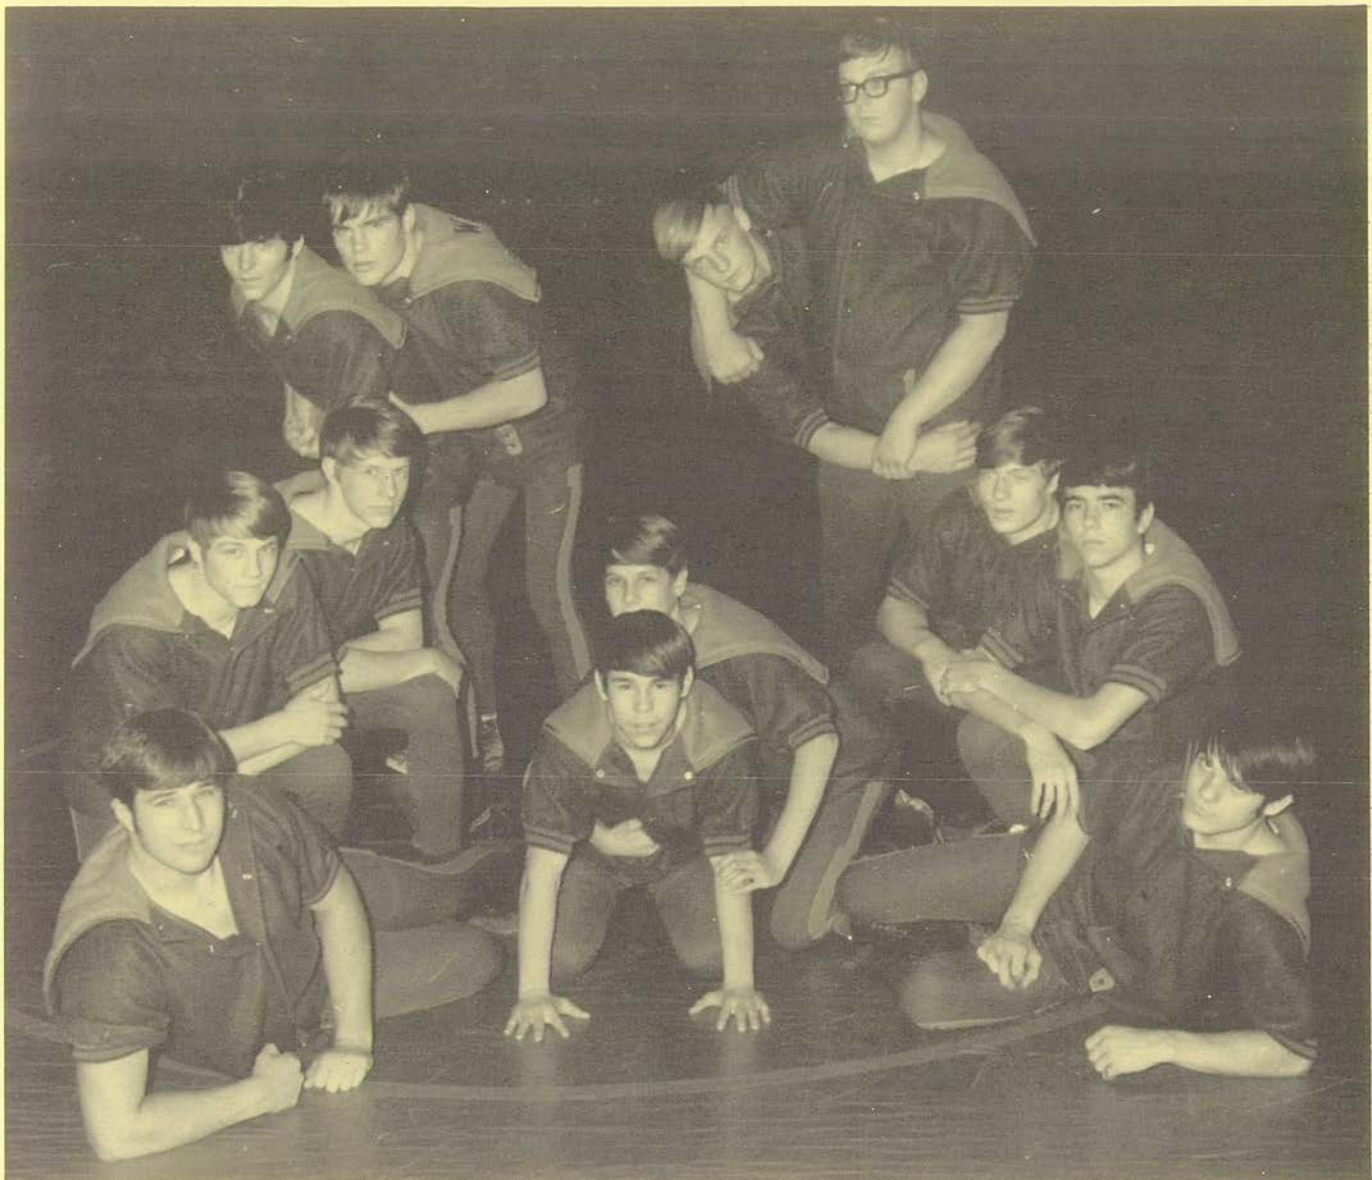

Maver, an instructor at Rib Mountain. "If I'd have to single out certain boys I'd have to say that Keith Kohlbeck and Butch Simons were our strongest skiers." In compiling the season Coach Kauffman said the boys learned much about competition and he's looking forward to next year. West will lose only one skier this year, senior Randy Jaeger.

Blue-Gold Matman Placed Third In Conference

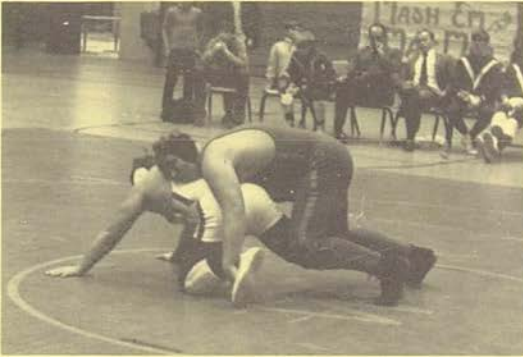

Many long, hard hours went into the building of our fine wrestling team. West had five returning lettermen. They were Ross Wood, Dan Parlier, Jay Costa, Randy Kettunen and Tom Hintz. The season had many ups and downs, but the Warriors came out on top, compiling a record of five wins and seven losses for the season. As a whole, the team gave a fine performance, with the heavyweights being the stronger of the weight classes. Perhaps the biggest highlight of the season was the D. C. Everest Invitational. West had only one winner, Ross Wood in the 155 pound class. Winners in the Regionals were Tom Hintz, Randy Kettunen and Les Bisgrove.

In 1971 Season

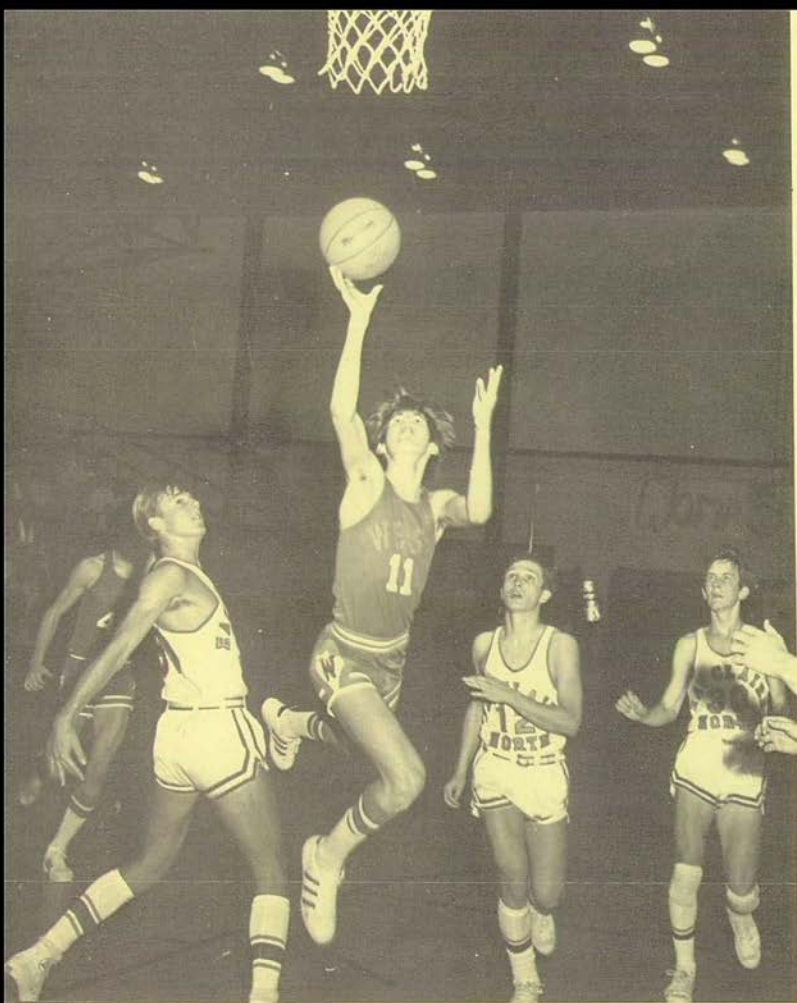

A record of 8 wins and 11 losses was established by our first basketball team here at West High. Opening the season with two losses the Warriors then came back with an exciting victory. After going into two overtimes, the Warriors triumphed with a win over Eau Claire Memorial. School spirit ran high and the Warriors anxiously awaited the game with their cross town rivals, Wausau East. The Warriors led throughout most of the game, but trailed going into the fourth quarter. They never regained the lead, dealing the Warriors their third loss. This loss didn't hinder the spirits of our first great Warrior team. The team bounced right back in the next East-West contest and defeated East 70-65.

Bruce Brandenburg, Mike Rosenau, Dave Teeples, and Dan Zinsmeister were returning lettermen and helped build this year's team. Team honors consisted of the following: Bruce Brandenburg and Dan Zinsmeister, co-captains, Dennis Betz most (124) rebounds, Phil Buch, highest field goal average (58.7%), Bruce was voted most valuable player by his team mates. Bruce was also high scorer with a total of 286 points, averaging 15.1 points per game.

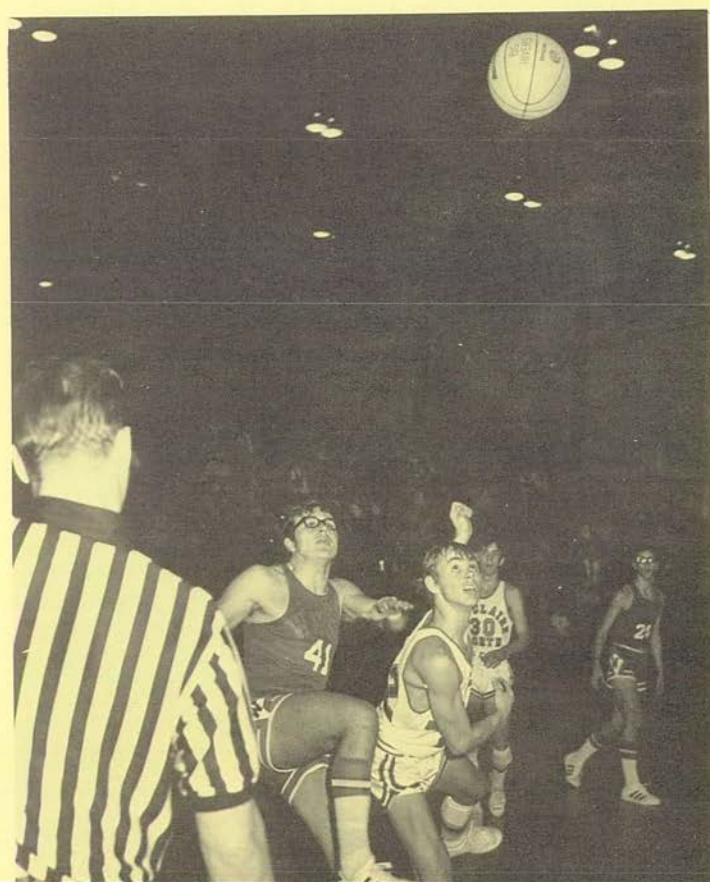

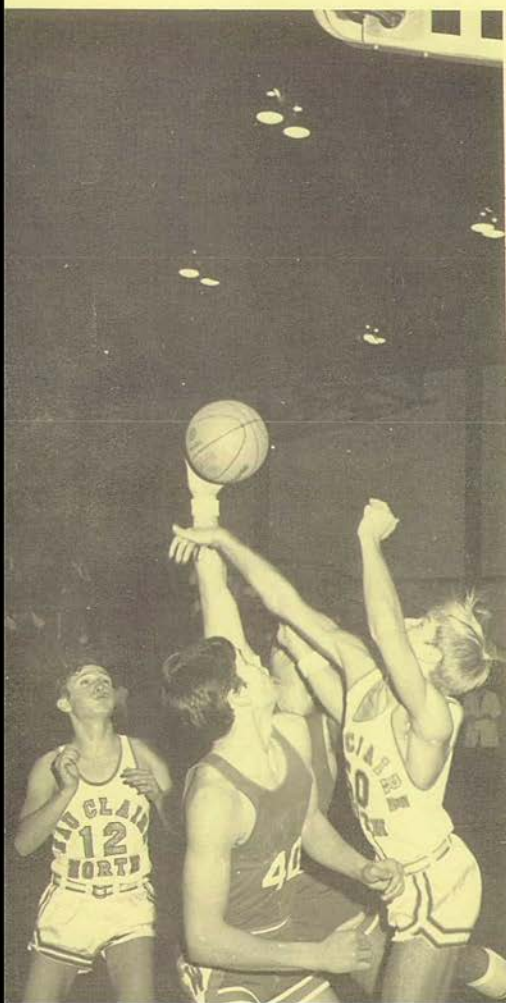

Small, but effective.

A team was formed
When West was new,
To cheer on the Warriors
In the gold and the blue.

To lead the crowd
At every game,
And represent
The Warrior's name.

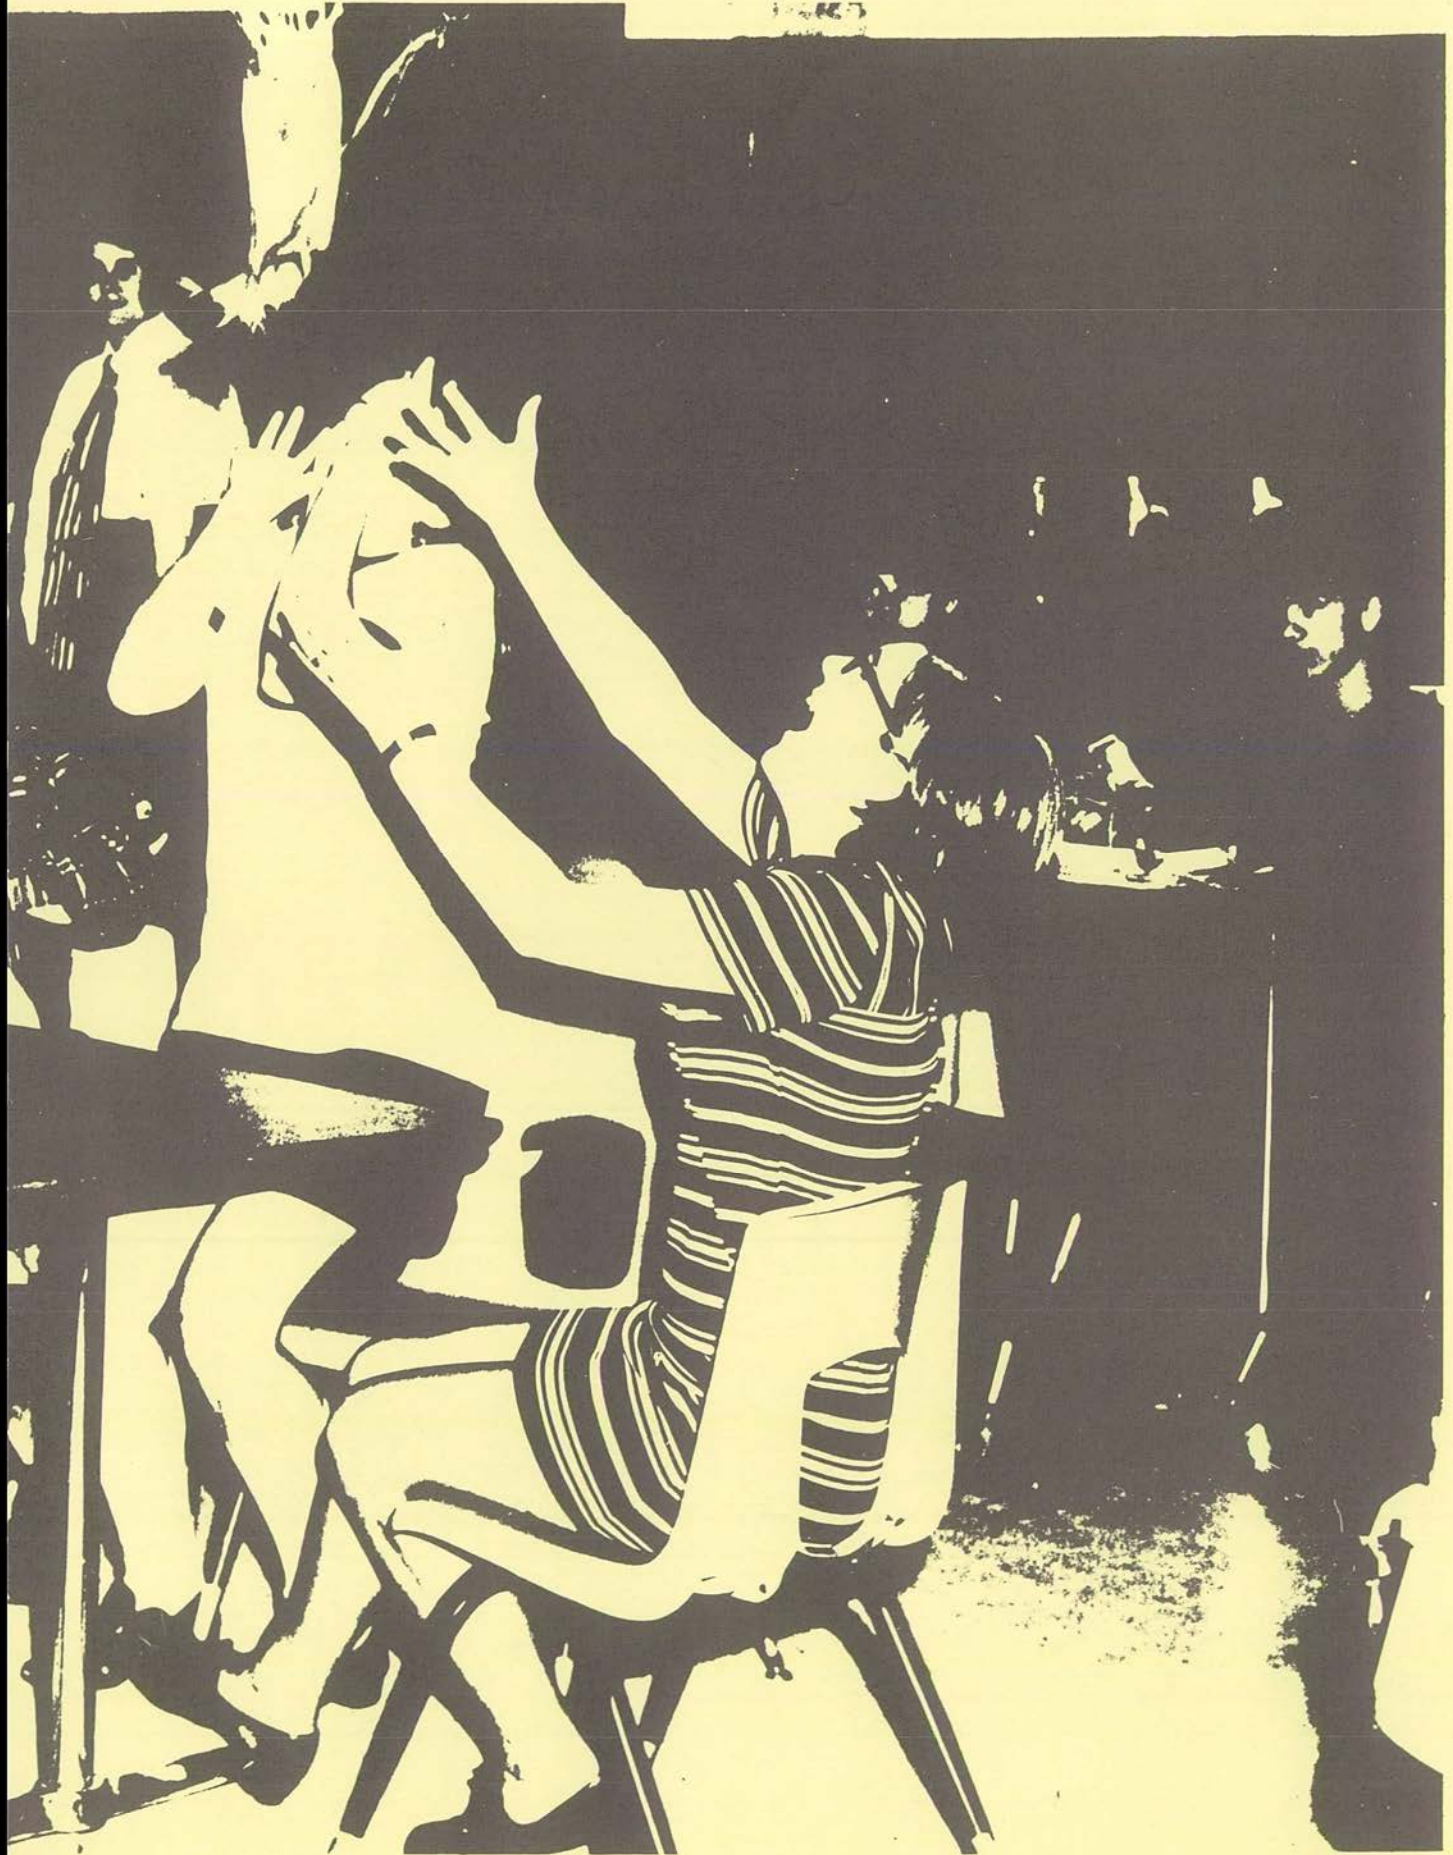

With faith and pep
They yelled for West,
In their hearts
The Warriors were best

They cheered on for.
The Warrior pride,
A spirit was born.
It never will die!

GEARS

COOKS - LaVerne Andreski, Vi Dintelman, Estell Tesch, Dorothy Alstad, Hazel Roach, Ethel Dorn, Lydia Wetzel, Verna Fletcher.

A Special Thanks . . .

This section is dedicated to those people who kept the "gears" of Wausau West meshing smoothly. We wish to extend a special thanks to the following people:

The custodial staff, who had the thankless job of cleaning up after us.

The cooks who prepared those lunches that kept us going through mods 15-21.

The A.V. crew who gave us relief from the usual lectures by providing us with audio-visual presentations.

The secretaries who managed to keep students and teachers organized.

The librarians who tried to provide us with an atmosphere in which to study.

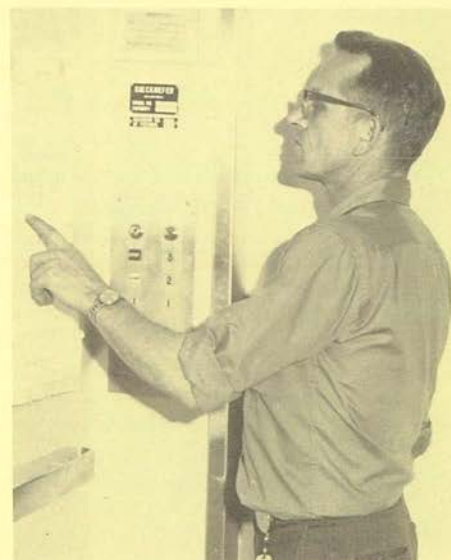

The nurse and her aide; our mothers away from home.

The lunch bunch.

CUSTODIANS - Mr. George Knaup, Mr. Wesley Pauls.

CUSTODIAN - Mr. Wally Plaza.

NURSE'S OFFICE - Mrs. Jo Oblander.

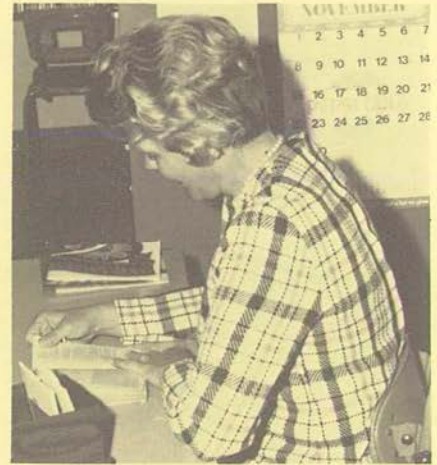

NURSE - Mrs. Judy Griffin.

IMC - Mrs. Marion Soderlund.

Lights! Camera! Action!

READING LAB - Mrs. Kay Schneider.

AV CREW - FRONT ROW: Michalski, Lewis, Treibel. BACK ROW: Price, Gast, Teuke, Hawkinson, Dahlke, Pevytoe, Krueger.

SECOND SEMESTER OFFICERS - Jan Pagel, Bob Genrich, and Randy Jaeger.

Student Government Underwent Change

FIRST SEMESTER OFFICERS - Tony Howe, Bud Bednarski, and Lottie Dickerson.

Wausau West started the year with the traditional "student council" form of government. Elected officers were Tony Howe, president; Bud Bednarski, vice-president; and Lottie Dickerson, secretary-treasurer. The Council set up committees to evaluate the situation in the commons, plan a winter carnival, and draw up a new constitution. This new constitution was ratified and put into effect the second semester. Since meetings were open to all students, each student became his own representative. The students elected Randy Jaeger, president and Bob Genrich, vice-president. Jan Pagel was appointed secretary-treasurer.

Students Aided Students

As Wausau West was new this year, so was the system of student aides. Almost every department had aides which did everything from feeding chicks to tutoring other students. Besides the practical knowledge a student aide gained, he also earned $\frac{1}{4}$ credit per semester for his services.

Marathon Manufacturing Company

Cell-mates

A couple of long-lifers are now sharing a single name in the portable power market. Marathon, a long-standing name in carbon-zinc batteries, and Sonotone, world-famous producer of rechargeable nickel-cadmium cells, have now combined to form a new, major power source.

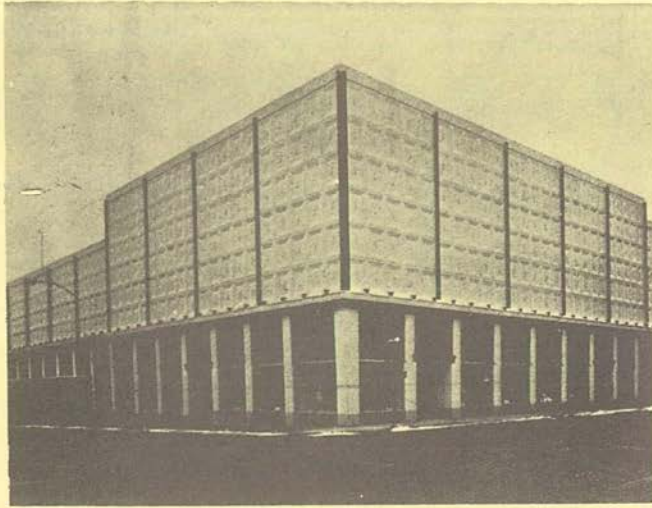

The Marathon line will continue to fill the need for top-quality disposable batteries for toys, flashlights and radios. While Sonotone will continue to provide rechargeable sealed

and vented batteries for appliances, aircraft and communications applications.

The major advantage of the merger is a broader base for research and development. Which means the combined talents of Marathon-Sonotone may well result in a whole new generation of better, longer-lived batteries for your customers.

After all, isn't that what progress is all about? Marathon Battery Co., Elmwood, New York 10523.

Aurora Staff

Barb Papendorf - Index

Aurora: rise, dawn, beginning. This year gave rise to something new in student publications, a yearbook that was completely student run. We still had an advisor, but Mr. Briggs functioned primarily to give authority to the staff when dealing with the administration, other students or the community. From the very beginning decisions on the content of the book, the continuity of the different sections, page layouts and every other minute detail was initiated and checked by members of the **Aurora** staff. We don't propose that this first year passed without difficulty or that the first volume is without mistakes. Only that we painted an optimistic portrait of this year, showing what some of the students had accomplished with the resources available and giving others a feeling of what our school was meant to be.

This first year of publication had special problems. Struggling to gain a foothold we encountered such obstacles as student apathy, no means of communication, and lack of proper equipment. In our eyes no one seemed to take us seriously. But as the year went on we gained momentum and many people offered their assistance. One by one our problems were solved and the yearbook came out. **Aurora** came as a creative student publication, expressing the interests of the students and hard work of the staff members.

Mr. Jim Hardtke - representative of Fey Publishing Company, Wisconsin Rapids

Colophon

Wausau West opened its doors, for the first time, in September, 1970 to approximately 1806 students from grades 9 to 12. 93 teachers met the students. Both students and faculty along with a sufficient number of administrators, secretarial and custodial staff looked forward to a formative year. The school, 267,647 square feet of building is situated on 40 acres of land at the end of West Wausau Avenue. Designed by John J. Flad and Associates of Madison and constructed by Hoffman Construction Company of Appleton, the building is a three-story academic unit connected on one side to the fieldhouse and commons area, on the opposite side to the auditorium and music departments.

Just as it is important to design a building suitable for an educational experience and teachers to create an atmosphere congenial for learning, it is the job of the yearbook staff to use a variety of materials and ideas to compile the story of one year.

The 1971 **Aurora** was printed in a limited edition of 1800 copies by the Fey Publishing Company of Wisconsin Rapids. Headline type was set in 24 pt. Venus Medium Extended on 196 pages of 80# ivory offset paper. End sheets were Rotunda Gold and all division pages employed black line conversion method. The cover, designed by the **Aurora** staff, was processed by the S. K. Smith Company of Chicago, Illinois and bound by National Bookbinding Company, Stevens Point. Underclass pictures were taken by Mr. Bush of National School Studios Inc. All action and group shots were compliments of Toburen's Studio

The year is behind us. The product of many hours of hard and enjoyable work is now in your hands.
