## **Tickets Are Now On Sale!** **50-Year Reunion of the Wausau East-West Class of 1972**

*Wausau, Wisconsin, April 12, 2022* – The planning committee for the 50-year reunion of the Wausau High School East-West Class of 1972 is pleased to announce tickets for their combined reunion are now on sale. Three committee planned events will take place the weekend of July 29-30, 2022. In addition, there will be several Birds of a Feather (BOF) activities which will allow smaller groups with similar interests to reconnect. These BOF activities start on Wednesday, July 27, and conclude July 31. Details and registration for both the reunion committee planned events and Birds of a Feather activities are available using the “Ticketing” page of the reunion website at: [www.whs72.org](http://www.whs72.org).

The committee would also like to make known that a significant amount of information about the classes has been added to the website since it was first launched in November 2021. In addition to class yearbooks, past reunion booklets and photos, the website now contains obituary information for over 100 classmates. Furthermore, the committee is respectfully requesting classmates visit the website to submit/update their contact information even if they do not plan on attending the reunion.

Numbering more than 850 individuals at graduation, the combined class of 1972 is the last graduating class to begin its high school education at the Wausau High School, the only public high school in Wausau in 1970.

---

To assist the committee with its efforts to reach as many classmates as possible, the committee sincerely requests widest possible dissemination of this information through the respective public service announcement capabilities of local media and Wausau School District institutions.
